

# How to manage both MCC (All India Quota) and State Quota counselling simultaneously

## Step 1: Understand the Dual System Structure

You will be dealing with two completely separate entities. You must register on both portals independently.

Feature	Medical Counselling Committee (MCC)	State Quota Counselling
Seat Allocation	15% Government seats nationwide, 100% Deemed Universities, Central Universities (AIIMS, JIPMER, AMU, BHU), and AFMC.	85% Government seats within your home state and 100% Private/Minority medical colleges in that state.
Eligibility	All Indian citizens who cleared NEET-UG.	Candidates with domicile proof of that specific state (or open-state applicants for private colleges).
Official Portal	MCC Official Website	Individual state websites (e.g., DME Maharashtra, KEA Karnataka)

## Step 2: Prepare the Mandatory Document Checklist

Keep two identical sets of physical, self-attested copies and high-quality PDF scans of these documents. You may need them for online upload and physical verification.

- **NEET Essentials:** NEET-UG Admit Card, Official Scorecard/Rank Letter.
- **Identity & Age:** Class 10 Certificate (for Date of Birth proof), Aadhaar Card, Passport, or PAN Card.
- **Academic:** Class 12 Marksheet and Passing Certificate.
- **State-Specific:** Permanent Domicile/Residency Certificate (critical for State Quota).
- **Category/Reservation:** Valid SC, ST, OBC-NCL, EWS, or PwD certificates (issued by competent authorities in the prescribed format).

- **Administrative:** 6–8 passport-sized photographs (matching the one uploaded on your NEET application) and Provisional Allotment Letter (downloaded after a seat is assigned)

## Step 3: Registration & Fee Structure

When registrations open, you must pay both a **Non-Refundable Registration Fee** and a **Refundable Security Deposit** on both portals.

### 1. MCC Fee Structure

- **Government/Central Universities:** ₹1,000 registration fee (₹500 for SC/ST/OBC) + **₹10,000 security deposit.**
- **Deemed Universities:** ₹5,000 registration fee (same for all) + **₹2,00,000 security deposit.**

### 2. State Counselling Fee Structure

- **Government Seats:** Generally, ₹1,000 to ₹2,500 registration fee + **₹10,000 to ₹25,000 security deposit** (varies by state).
- **Private College Seats:** Registration fee varies + **₹1,00,000 to ₹2,00,000 security deposit** to prevent casual choice filling.

**Note:** Security deposits are adjusted to your tuition fee if you choose to join a college and refunded to your source bank account months after counselling ends if you don't get a seat, provided you do not violate seat-forfeiture rules.

## Step 4: Master the Step-by-Step Chronology of Rounds

The Medical Council of India strictly mandates that **MCC Rounds happen first**, followed immediately by State Rounds. Use this timeline to make your decisions:

[MCC Round 1] → [State Round 1] → [MCC Round 2] → [State Round 2] → [MCC Round 3/Mop-Up] → [State Round 3]

## Round 1: The "Free Exit" Safety Net

1. **Register and Choice-Fill on MCC:** Lock in your top-tier national colleges, AIIMS, and dream out-of-state options.

2. **Register and Choice-Fill on State Portal:** Lock in your preferred home-state government and private colleges.
3. **If Allotted a Seat:**
  - **MCC Round 1 has a "Free Exit."** If you get a seat but prefer to wait for your state results, you can simply ignore the MCC allotment. You will not lose your security deposit.
  - If you like the MCC seat, physically report to the college, submit documents, pay fees, and submit an **"Upgradation Form"** to try for a better seat in MCC Round 2.
  - If your State Round 1 choice is better, report to the state college instead.

### Round 2: The Critical Turning Point

- **Warning:** Round 2 is **NOT** a free exit. If you are allotted a seat in MCC Round 2 or State Round 2 and fail to join, **your security deposit is forfeited.**
- **The Upgrade Strategy:** If you joined an MCC Round 1 college and get a better seat in MCC Round 2, collect your original documents from the Round 1 college using your new online generation letter and report to the Round 2 college.
- **The State Crossroad:** If you get a great seat in State Round 2 and want to drop your MCC Round 1 seat, you must officially resign from your MCC Round 1 seat within the stipulated "resignation window" declared by the MCC.

### Round 3 & Stray Vacancy: The "Point of No Return"

- **The Golden Rule:** According to Supreme Court guidelines, once you **join a seat in Round 2 (either MCC or State)**, you are completely blocked from participating in any further counselling rounds (Round 3, Mop-Up, or Stray Vacancy).
- Your name is automatically cleared from the national database to prevent seat hoarding.
- If you enter Round 3 without holding a seat, any seat allotted to you **must be taken.** Forfeiting a Round 3 seat results in a hefty penalty, forfeiture of fees, and potentially being banned from the NEET exam the following year.

### Essential Rules to Avoid Financial and Academic Penalties

- **Never Use Multiple State Quotas:** You can only claim domicile benefits in **one** state. Claiming 85% state quota seats in multiple states using fraudulent domicile certificates is an offense that leads to immediate disqualification.
- **Watch the Resignation Deadlines:** If you want to move from an MCC seat to a state seat, always check the official MCC notifications for the last date to resign from Round 1 seats. Missing this window means you are legally stuck with that seat.

- **Use a Dedicated Bank Account:** Ensure the bank account used to pay the online security deposits remains active for at least a year. All refunds are automatically credited back to that exact card or account.
